Hart Middle School

# Got a ride to that?

(You do now) August 25 thru September 8, 2010

With our Try Transit Pass, you have another driver to get you to school. And, just to give you a head start, we'll give you a free ride.

When you take Wheels to school, it's a win-win for you, your community and the environment.

- \* Minimize your family's carbon footprint and reduce gas expenses
- \* Ease traffic and enhance safety around schools
- \* Contributes to clean, healthy air

And, to help your family start the school year with a "green" slate, Wheels, the City of Pleasanton and the Pleasanton Unified School District have joined together to offer FREE rides on Wheels' fixed-route and School Tripper buses during the first ten days of school.

School Tripper routes are conveniently coordinated with school bell times and provide your middle-school student with a safe, convenient and eco-friendly travel option.

See reverse side for route schedules and maps.
